I understand that there are a number of options available to me which include:

- Rolling my assets to my current employer's plan (if you have a new job and the plan permits it).
- Keep your assets in your former employer's plan (if the plan permits it).
- Rolling my plan assets into an IRA.
- Take a distribution in cash (taxes will apply and withdrawal penalties may apply).

I further understand that before making the decision to rollover my account I considered my retirement plan options carefully which includes but may not be limited to:

- The benefits and penalties involved including any withdrawal penalties.
- Investment or account related fees and expenses.
